

Thank you so much to those of you who completed our behaviour and safety questionnaire this month. Please note safeguarding information can be found on our school website and around school. All our staff in school have safeguarding training but the school's safeguarding leads are **Rachel Otter (Head Teacher)** and **Claire Reville (Deputy Head Teacher)**. They have extra safeguarding training and are in charge of safeguarding across school. Please see either one of us if you need any clarity on our safeguarding arrangements or have any safeguarding concerns. The gate procedures have recently been reviewed with our governing body and will continue to remain open from 8am until 9am and again at the end of the day from 3-3:30. Children in breakfast club do not go outside during this time so the gate down to Killisick will remain open for parents/carers to access both schools. Many thanks. **Miss Rachel Otter 28.11.17**

***** loves nursery and we love her attending. She has grown in confidence so much. ***** loves nursery he has settled so brilliantly. I have no problems at all. All the leads are amazing.

We are really pleased with how ***** has settled and is progressing really well. She loves learning. This school is amazing. We are so lucky to send our daughter here. Thank you for all your hard work. ***** loves coming to school. Her teachers are great with her and I am happy to leave her in their care.

We are really pleased with how ***** has settled and is progressing really well. She loves learning.

My only concern that in the morning and collecting children people who are not collecting children from here but Killisick School use this as a cut through ***** . I am pleased with ***** progress with Miss Farnsworth .Miss Lander and Mrs Woodward have been excellent and really helped ***** especially where his maths is concerned. I feel like ***** has had brilliant support helping her to settle in to year 2.
