

down the snake from head to tail

around the astronaut's helmet and down into space

down the tiger and across its neck

down the penguin's back, up and around its head

down the iguana and dot the leaf

down, up and over the net

down, up and over the mouse's ears

round the duck's body, up to its head and down to its feet

round the goat's face and curl under its chin

all around the octopus

curl around the cat

down the kite, up to the top corner and down to the bottom corner

around the elephant's eye and curl down his trunk

down and around the umbrella and back to the ground

from the cloud to the ground and over the rainbow

down, up and over the helicopter

down the bear's back, up and round his tummy

down the flamingo to his foot and across his wings

down the lollipop stick

down the jellyfish and dot his head

down to the bottom of the volcano and back up to the top

down and up and down and up the waves

from the top, across the box to the bottom. From the top again, across the box to the bottom.

down, around the yo-yo and curl around the string

across the top of the zebra's head, zig-zag down its neck and along

round the queen's face, down her robe and a flick at the end
